

You asked. We listened. EMPO Corporation is excited to announce our enhanced 401(k) program.

Effective Monday, November 29<sup>th</sup> our fund line-up will include American Funds and Vanguard Funds. Both American Funds and Vanguard have a history of sound performance and low expense ratios. We have also added a series of Index Funds. Greater portfolio diversification has never been so easy!

Please find the enclosed fund fact information packets. Please distribute this information to your participants. Additional copies are available by request or visit Transamerica’s website [www.ta-retirement.com](http://www.ta-retirement.com). Below is a complete list of the new offerings.
