MINNEAPOLIS, MINNESOTA, May 28, 2010—EMPO Corporation offers clients enhanced 401(k) service platform through strategic alliance with Regal Financial Group.

As part of EMPO Corporation’s ongoing effort to deliver top-caliber service and value to clients, EMPO President and CEO Alan Reid announced the organization’s strategic partnership with Grand Rapids, MI, based Regal Financial Group to afford EMPO 401(k) participants complimentary access to Regal Financial’s award winning, multi-service financial service support.

Reid commented, “Having worked closely within Regal’s broker-dealer relationship for almost ten years through EMPO’s affiliated financial services company, ProviNet Financial, we know first hand Regal’s quality. As proven innovators within the financial services sector, Regal has repeatedly set itself apart from the crowd and has received many notable accolades for its commitment to its employees, its community and also for its accomplishments within the industry, including being awarded the Ernst & Young Entrepreneur of the Year Finalist 2004–2008, 101 Best and Brightest Companies to Work for Elite Award Winner for numerous years, and the Sloan Award for Workplace Flexibility 2009. For numerous reasons, we are confident Regal’s team of professionals will provide our clients exceptional financial guidance and world-class service.”

Kailunas II stated, “We are excited about our newly formed synergy with EMPO that will help provide EMPO 401(k) clients enhanced financial expertise and service that will assist them in making better financial decisions that will affect their businesses and families.
